

WHOLESALE MILLWORK

BENCHMARK[®] OUTDOOR

- ✓ BenchMark OUTDOOR boards are made from the highest quality 100% Plantation Radiata Pine which is controlled at the source, through a unique vertically integrated chain of custody process.
- ✓ BenchMark OUTDOOR boards are the true exterior grade board, utilizing a proprietary water resistant extrusion process to seal the Radiata Pine substrate, keeping raised grain in check and a laser straight finished product.
- ✓ BenchMark OUTDOOR boards are primed with exterior grade primer three times during the manufacturing process, after each application of extruded sealer and primer; all pieces are sanded and inspected for optimal finish and removal of any manufacturing defects.
- ✓ BenchMark OUTDOOR uses an exterior grade latex spray finish to ultimately giving each board its superior look suitable for exterior and interior applications.
- ✓ BenchMark OUTDOOR is the BENCHMARK in exterior and interior trim applications.

SIZE	THICKNESS	WIDTH	LENGTH
1 x 4	23/32"	3-1/2"	16'
1 x 6	23/32"	5-1/2"	16'
1 x 8	23/32"	7-1/4"	16'
1 x 10	23/32"	9-1/4"	16'
1 x 12	23/32"	11-1/4"	16'
5/4 x 4	1-3/32"	3-1/2"	16'
5/4 x 6	1-3/32"	5-1/2"	16'
5/4 x 8	1-3/32"	7-1/4"	16'
5/4 x 10	1-3/32"	9-1/4"	16'
5/4 x 12	1-3/32"	11-1/4"	16'
