

Since 1984, Digger Specialties, Inc. (DSI) has manufactured the highest of quality of building materials.

At DSI, we are constantly improving and innovating to bring better products to the marketplace, including our Fiberglass Column line.

From our ready-to-finish seamless column to our cost-effective pultruded column, to our Snug-Fit capital and base set - we have a column that will fit your architectural design and project budget needs.

All of our DSI Fiberglass Column products feature our heavy duty packaging to resist transit and jobsite breakage and are backed by a long lasting, peace of mind warranty.

The Fiberglass Column offering is made to stand alone or complement our other top brands including Westbury® Aluminum Railing, PolyRail® Vinyl Railing, DSI Aluminum Columns, and Magena Star® lighting. Check out all our Digger Specialties brands at diggerspecialties.com.

DSI Fiberglass Columns offer quality craftsmanship, impeccable design, and integrated architectural elements to deliver an elegant and low-maintenance, long-lasting column. Our Fiberglass Columns are available in a broad selection of sizes, styles, and load-bearing capacities to meet most project applications.

TABLE OF CONTENTS

Square Columns	2-5
Round Columns	6-9
Craftsman Columns	10-11
Pultruded Columns	12-13
Split-Fit® Columns	14
Pilaster Cuts and Bracket Kits	15
Column Packaging	16

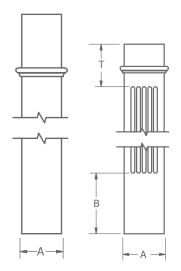

The DSI Square Column line eliminates hours of labor associated with site-built columns while adding crisp, clean lines and architectural aesthetics.

Square Columns are available in smooth, fluted, raised panel, recessed panel, and our unique, recessed panel pedestal design.

SQUARE SMOOTH COLUMNS

Available in Full Columns, Split-Fit® Columns and Pilaster Columns

Column Size	Outside Dimension (A)	Inside Dimension	Material Thickness
6" x 8'	5 3/4"	4 3/4"	1/2"

- C Pedestal Height

Astragal Height to be Determined by Customer

- Column, Capital, Astragal and Base all in one box
- Column, Capital and Astragal all in one box

SQUARE CAPITALS & BASES

Capitals and Bases provide a finishing touch to your DSI Fiberglass Column. The standard Capital and Base set for DSI Square Fiberglass Columns is Tuscan-style. The Capital is made from Polyurethane. Unlike other column manufacturers, DSI offers a composite base made from the same material as the column to protect both the base and column from dents and other damage. We also offer an Alto-style composite base for your project needs.

SQUARE POLYURETHANE TUSCAN CAPITALS*

Capital Size	Width	Height	Inside Dimension	Diagonal
6"	8 3/8"	2 1/2"	5 7/8"	11 3/4"
8"	11 1/4"	2 3/4"	8″	15 7/8"
10"	13 5/8"	3 3/8"	9 7/8"	19 1/4"
12"	15 5/8"	3 1/2"	11 7/8"	22"
14"	18 1/4"	4"	14 1/16"	25 7/8"

Snug-Fit Capital Utilizing a patented process, DSI's Snug-Fit Capitals are made for our most popular sizes. The Tuscan-style Capital is Polyurethane with a foam ring for a snug fit. No need to go out and purchase backer rod to close the gap that can sometimes occur between the column shaft and the Capital. The Snug-Fit Capital requires no pilot holes.

SQUARE TUSCAN BASES*

Base Size	Width	Height	Inside Dimension	Diagonal
6"	8 1/8"	3 7/8"	5 7/8"	11 1/2"
8"	10 1/2"	4 1/4"	8 1/8"	14 7/8"
10"	13"	5 1/8"	10"	18 3/8"
12"	14 7/8"	5 5/8"	11 7/8"	21″
14"	17 5/8"	5 5/8"	14 1/16"	24 7/8"

SQUARE ALTO BASES

Base Size	Width	Height	Inside Dimension	Diagonal
6"	7 3/8"	5 3/4"	5 7/8"	10 3/8"
8"	9 3/4"	7 1/8"	8 1/8"	13 3/4"
10"	11 1/2"	8 1/2"	10"	16 1/4"
12"	13 1/2"	9 3/4"	11 7/8"	19 1/8"

^{*}Tuscan Capital and Tuscan Base are included with each Square Column.

ROUNCOLUMNS

Tuscan and Doric columns are the most recognizable architectural elements in the world. From the historical cities of Europe to the cities and towns of the United States, these columns and their elegant styles are celebrated by architects the world over.

DSI Fiberglass Round Columns are available in tapered, fluted tapered, and non-tapered.

- A Top Outside Diameter
- **B** Bottom Outside Diameter
- C Neck Ring Height

Our Round Smooth Non-Tapered columns offer a sophisticated uncomplicated look to your project.

To use Decorative
Capitals with our
Round Smooth
Non-Tapered columns,
select one size larger
capital than the
column size. Example:
A 10" Non-Tapered
Column requires a 12"
Roman Ionic Capital.

(2) 6' pieces of Craftsman Moulding are included with each Craftsman Column Width 1 3/8"

Height 2 5/8"

LOAD BEARING (Visit dsicolumns.com for more information)

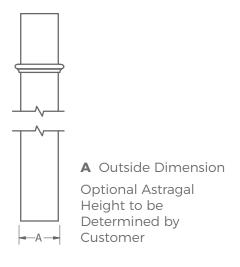

PULTRUBED

DSI Pultruded Columns offer a lightweight alternative to fiberglass (cast) columns. Our Square Smooth Pultruded Columns are designed with advanced technology to produce load bearing columns. These columns are available in 6", 8", 10", and 12" nominal widths and 8', 9', 10' and 12' lengths.

SQUARE SMOOTH PULTRUDED COLUMNS

Available in Full Columns

	Column Size	Outside Dimension (A)	Inside Dimension	Material Thickness

Capital, Astragal, and Base are included with each Pultruded Column

LOAD BEARING (Visit dsicolumns.com for more information)

SPLIT-FIT® COLUMNS

Split-Fit® Columns make re-assembling a split column easy. Traditional split columns can be difficult to reassemble on-site and require multiple leveling and alignment adjustments to get the two halves together. DSI's easy indexing keys make aligning the column halves an effortless process, saving you valuable time.

- **1.** The column is split using a precision diamond cut line, and is ready to install
- **2.** The column comes with cast indexing keys installed on the interior of the column for aligning the column halves
 - Tongue and groove fit assures snug installation
 - Three-dimensional alignment guaranteed
 - Restriction of lateral and vertical play insures easy to finish seam

Optional Split-Fit Assembly Kit Includes:

- One (1) 150 ml EXTREME®
 Adhesive Cartridge with Adapter
- One (1) Roll of 3M/Scotch Bonding Tape

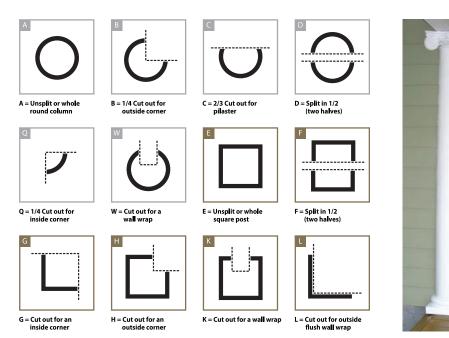

PILASTER CUTS

For those special projects that may need unique and custom ordered cuts DSI has the ability to meet your specifications.

The special cuts chart shows the many cut types available for splitting your column.

Pilaster Column Cuts are special order and customized to your needs (standard DSI lead times will not apply to these special orders).

ROUND AND SQUARE BRACKET KIT

Our optional bracket kits contain 6 round brackets or 4 square brackets and screws.

The Round and Square Bracket Kits assist in the prevention of column kick-out.

PACKAGING

Nothing increases the cost of a project more than delays. Delays can occur when the column arrives damaged, or the capital and base sets get separated from the order.

DSI takes great care in packaging our Fiberglass Columns. Most sizes are packaged with the complete shaft, capital, and base in one box. The column shaft is "cradled" in the box with foam rings to resist damage.

ALUMINUM COLUMNS

Our DSI Columns® line also includes Aluminum Columns. Available in 5 styles and a variety of sizes and heights; these structural columns are complimented with capitals and bases offering a beautiful finished look. Backed by our Lifetime Limited Warranty these columns will give you peace of mind in your investment.

Our state-of-the-art powder coating facilities ensure that your products receive only the highest grade of powder coating. In fact, DSI is the only aluminum column supplier to receive PCI 4000 Certification from the Powder Coating Institute. All columns are verified AAMA 2604 compliant with available AAMA 2605 upgrade.
